

In our MC crafted homes: You smile when waking up
Anticipating that first cup
Of Bosch brewed coffee to begin your day
A quick workout to relax in an infrared heat spectrum
To remove the sweat, step into our Kohler Kollection zone
Where enjoying Kohler water jets sets your tone
down & around your body in a refreshing way
So start living your daily dream..... today
Far from just another boring morning routine

Hire MC Building to fulfill your everyday morning dream routine:

It's 6AM a suitable time to rise
As the Bosch coffee machine begins to brew your first great taste
Opening your soon to be dazzling eyes
The shades in the Fakro Skylight open with delight
Bringing in bright sunlight as you seek a peek into the blue sky
As you breathe in/admire the Live Tall Wall green garden face
And on winter mornings the cozy burning fireplace
Creates a most comforting space
A quick visit to the Kohler intelligent toilet
Now it's time to reach for that fully brewed cup of luscious coffee
Then up the circular stairs to the workout room where TONAL fitness awaits
To perform a wise task of exercise
and bask again in the morning sunlight with a second sip...yum
Hooray! There's even more highlights to start your day
Twenty minutes relaxing in dry heat absorbed through TheraSauna's infrared spectrum
As you emerge energized with maximum momentum
And now enjoy a Kohler shower experience engaging multi sequenced body sprays
a symphony of water directions feeling a most soothing touch
realizing you couldn't enjoy anything as much
and a bottle of Aveeno awaits on a handy tray
while listening to the Kohler sounds of music or today's top stories a third sip
Exit the shower experience feeling refreshed and energized and now a fourth nip
Dry off with a warm towel provided by Mr. Steam still savoring that fifth sip
Now it's stimulation for your imagination
you choose the days clothes with the aid of your Closetmaid
And its convenient location it's warm for a sixth sip
Confidence is instantly gained to impress for the day's success enjoy the final drop of coffee
It's down the stairs to the spectacular sunlit kitchen galley
Start preparing breakfast of toast/eggs/tomatoes/peppers at the Bosch range/oven baker
Brew a second cup of coffee with the Bosch kitchen coffee maker

You finish that healthy breakfast while adoring the view through an Anderson window outdoor scene
as that second cup of coffee is now unseen

It's back to the KK zone where organized storage by Robern offers a quick find
razor/toothbrush/comb/cologne/Old Spice and a tie to bind

Or a hair dryer/eye liner/ hair brush/blush/your burberry velvet lips defined

You're ready for yet another productive day at work

You head out the door fulfilled from all the amazing perks

The Morning Dream Routine Concept/scheme and crafted construction performed by MC Building, Inc.
