

Creating a happy morning mood

Entering your master bath suite begins yet another productive day
Better known in our home as the ultimate Kohler Kollektion zone
Where we let Kohler engineered faucets control
The proper water temp and flow
Treating your body to an refreshing tempo
What better way to prepare your focus to face the challenging day

As your heart beat begins another renewed start
Kohler refreshing water sprays does its part
Creating a happy morning mood
To carry you the whole day through

Welcome to the wonderful world of Kohler
Where warm water's route is all about
How its shape emerges from out of the faucet spout
Touching your body with energizing clout

We offer it all in a MC Building home
The absolute best of the Kohler Kollektion zone
Creating countless comforting tones
To sooth all your important bones

MC Building positions our home
In creating the ultimate Kohler zone
Discover the joy of cascading water's touch
Hard to believe anything could mean so much

Living in a MC Building home
You jump (instead of roll) out of bed
And head toward
The master bath suite
Or as we define it...the Kohler zone
And from that moment forward
You enjoy a healthy heart beat

all of MC Building homes
include the ultimate Kohler kingdom zone

Kount on Kohler Konnect to get you wet
With konstantly changing water directions
Giving you the most relaxing sensations yet

In all MC Building homes
we offer the ultimate Kohler zone
Where when done showering your never feel a weary bone
