Anticipating that first cup  
Of Bosch brewed coffee to begin your day  
A quick workout to relax in an infrared heat spectrum  
To remove the sweat, step into our Kohler Kollektion zone  
Where enjoying Kohler water jets sets a good tone  
Down and all around your body in a refreshing way  
So start living your daily dream .....today  
Far from just another lackluster morning routine

MC Building provides an exciting stream to enjoy "HER" everyday morning dream routine:

To begin her day in a most thrilling way:  
As the sun climbs filling the morning vista  
It's 6AM a worthy time to rise  
Opening your soon to be dazzling eyes  
You awake to a delicious aroma  
Of the Bosch coffee machine brewing your relished flavor  
Now the shades of the Fakro Skylight open with delight  
Bringing in bright sunlight while you seek a quick peek  
Take a moment and breathe in the Live Tall Wall green garden face  
And on winter mornings feel the cozy burning Valor fireplace  
As it creates a most comforting space  
A quick visit to the Kohler Intelligent Toilet  
Now it's time to reach for that fully brewed cup and enjoy the first sip  
Then it's up the stairs to the workout room for a total fitness script  
To perform a wise task of exercise while listening to your band  
And bask again in sunlight cascading through the Fakro skylight with Bosch coffee in hand  
Hooray there's even more highlights to start your day and a third sip...yum  
Enjoy 20 minutes relaxing in dry heat absorbed through Therasauna's infrared spectrum  
You will emerge energized achieving maximum momentum  
So now the sequence brings you a Kohler shower experience engaging multi sequenced body sprays  
A symphony of water directions feeling a wanted soothing touch  
Realizing you couldn't enjoy anything as much  
A bottle of Aveeno waits on a handy tray  
While Kohler speakers send the hour's top stories or soothing sounds and a fourth nip  
Exiting the shower refreshed while reaching for a warm towel provided by Warmly Yours  
Now it's time for stimulation and some imagination another sip  
You get to choose the days clothes with the aid of your Closetmaid and its convenient location  
Confidence is instantly gained as each dress will impress for the day's success a fifth swallow  
Now you've fully enjoyed that first taste you set down the empty coffee cup  
And sit in front of your Robern lighted mirror ready to apply your selected makeup  
A convenient place has been chosen to stow all the cosmetics to be available at your fingertips  
Our refrigerated drawer creates a beautiful face presentation you don't want to skip  
Enjoy the feeling of applying a cool eye cream  
Some lip gloss, moisturizer and foundation  
And blush for a fantastic creation

Now your eye liner and please add a highlighter  
 Now it's down the stairs to enter the spectacular sunlit kitchen galley  
 Start preparing breakfast of toast/eggs/tomatoes with the Bosch range/oven baker  
 Enjoy a second cup of coffee with the Bosch kitchen coffee maker  
 You finish that healthy breakfast while adoring the view through an Anderson window scene  
 As that second cup is now unseen  
 It's back to the KK zone where organized storage by Robern offers a quick find  
 For a tooth or hair brush then perfume and a scarf to bind  
 Or a hair dryer and your burberry velvet lips defined  
 You're ready for yet another productive day at work  
 You head out the door fulfilled from all the amazing perks

The morning dream routine "HER" concept/scheme and crafted construction performed by MC Building, Inc.
